BOTTESFORD
PARISH
COUNCIL

Clerk Resignation

It is with great regret that I have to announce that this week we received a letter of resignation from our Parish Clerk, Amanda Carter-Blackford. After a short conversation with Amanda it became apparent that I could not convince her to reconsider.

Over the past 12 months Amanda had quickly brought her natural enthusiasm and energy to the role, and brought a smile to the workings of the Parish Council. She quickly brought in new approaches and systems and leaves the workings in good shape for her successor. She will be sorely missed by everyone who has had dealings with her.

Amanda has been a true professional to the last and is helping us with the recruitment of a successor. We must begin that work immediately, and last night the Parish Council started that process. We will be advertising in the normal way, but if anyone knows of an experienced Parish Clerk that would like to work on the continued up-keep and preservation of our wonderful Parish then please do ask them to make contact.

For further information about Amanda's resignation or the position available please do get in touch with either: Heather Shephard on 07947 159493 or Alan Gough on 07970 121488.

We will keep you informed as recruitment progresses.
